

WHEN YOUR IDEA MEETS OUR PASSION

HOW "THE PSY ANGLES"
CAN SUPPORT YOUR BUSINESS NEEDS

BY CHRISTINA GEORGALLI

PSY-ENTREPRENEUR AND FOUNDER OF THE PSY ANGLES

About Us

Reimagining the world and making it a place where mental health matters

We promote the acquisition of a being-mentally-healthy mindset.

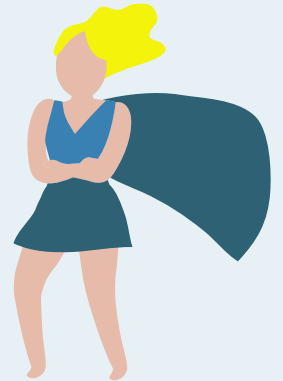

We offer sessions and educational programs to **healthy-mindset enthusiasts**.

We aim to raise **mental health awareness**.

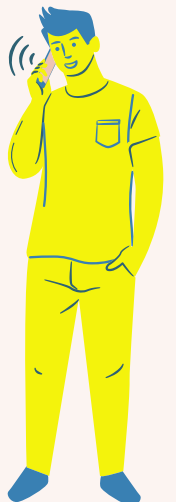

We educate and prepare **Psy-Entrepreneurs** with their **business start-up**.

We work for businesses offering wellbeing sessions to **employees**.

We love encouraging people to succeed and we will be happy to welcome you to our healthy-mindset enthusiasts or psy-entrepreneurs **community!**

We bring people together within a community where they can acknowledge and respect mental health issues, and fight **against stigma**.

We can help if you:

- ✓ need to set personal and business goals and find unique ways to promote your idea
- ✓ own a business or are in charge of a business
- ✓ have a website or are looking to launch a website soon
- ✓ need to create/design a website, buy a domain name and set up your professional mailbox
- ✓ post or advertise on social media
- ✓ need help with coaching for your employees
- ✓ aim to advance your mindset and raise mental health awareness through your work or at work!
